

Goldman

TRAVEL CORPORATION

Are you concerned about your Duty of Care, Sustainability and having 24/7 assistance for your corporate travellers? Goldman Travel has all the tools and expertise required to ensure you are Runway Ready.

We can remove the stress from today's travel with our Traveller Wellness program and cutting edge technology which delivers complex risk assessment and real-time staff tracking.

Goldman Travel knows what it takes to be Runway Ready. Are you on board?

DUTY OF CARE / RISK MANAGEMENT

Cutting-edge Duty of Care systems are essential in today's uncertain world. Our Gold Locate program integrates with your travel program through TripCase, and delivers unprecedented flexibility and power to respond effectively to any crisis affecting them.

We know who's doing what, where and how to ensure your team travels with peace of mind, free to focus on each trip's objectives.

Let's discuss your traveller wellness concerns and craft a bespoke corporate travel solution that gives travellers and their families confidence that they're in the best of hands.

YOUR TICKETS ON HOLD

We encourage you to review the status of your unused ticket credits conveniently through our online booking tool or in consultation with your Goldman Travel Business Manager.

Goldman Travel's renowned transparency means you'll receive a full audit of available tickets, their value, expiry terms and conditions, and any other pertinent considerations.

We will ensure you receive the maximum possible value of every available ticket asset *every* time.

TRAVEL POLICY TRANSFORMATIONS

When did you last review your travel policy?

We're in constant contact with our hotel, airline and travel operator partners, carefully assessing the steady flow of updates and information so you don't have to.

Let's put everything on the table and re-shape your travel program to suit your business needs. The Goldman advantage here? Flexible *everything*.

SUSTAINABILITY

We empower your travellers to make informed choices by giving them complete visibility of their carbon footprint and making it easy for them to choose the greenest options.

Goldman is proud to be working with Zeno Mission Zero to support you on your journey to a net zero travel program. Ask your travel manager for more information.

AFTER HOURS ASSISTANCE

Disruptions happen, but you're never alone. We are alerted and can make the changes required so you don't have to. From your dedicated Travel Advisor right through to the owners of the business, the entire Goldman Travel team is here and available for you when you need us.

Our *Gold Alert* and *Gold Intelligence* news platforms also deliver time-sensitive news updates directly to your inbox. Timely travel industry news, disruptions and deals – because sometimes you really do need to know right now.

Since 1983, Goldman Travel Corporation has delivered world-class corporate and leisure travel management services built on a powerful platform of leading edge technology, brilliant people, productive relationships and genuine, personal service.

With three generations of experience, Goldman Travel is your conduit to the entire travel ecosystem, and the relentless stream of information and updates currently flowing through it.

Goldman Travel has safely guided its clients through every global and economic upheaval of recent history and will continue to be by your side, no matter what the future may bring.

The runway is waiting, are you ready?

How runway ready are you?
